BLACKHAWK!® CQC™ PISTOL BELTS

Ordinary dress belts are simply not the proper platform for carrying a handgun, spare mags or handcuffs. Everyday dress belts don't have the stability needed to keep your handgun from rolling out, yet a heavier belt with a suit can scream "Armed Professional!" These Carbon-Fiber and lizard skin finished belts give you the same appearance as any other 1 1/4 inch dress belt that is made of premium materials, with the added benefit of a reinforcement spine.
