

Is Your Reservoir Protected?

Because MICROBAN® product protection is built into the reservoirs, it won't wash off or wear away. When microbes such as bacteria, mold and mildew come in contact with the product surface this protection penetrates the cell wall of the microbe and disrupts key cell functions so that the microbe cannot function, grow or reproduce.

Protected vs. Unprotected

Treated with Microban® Protection

UNTREATED

THIS INFORMATION IS BASED UPON STANDARD LABORATORY TESTS AND IS PROVIDED FOR COMPARATIVE PURPOSES TO SUBSTANTIATE ANTIMICROBIAL ACTIVITY OF NON-PUBLIC HEALTH APPLICATIONS. ANTIMICROBIAL ACTION LIMITED TO PRODUCT SURFACE.

BLACKHAWK!® TIDAL RAVE™

An economic system designed for basic outings.

- Drink system protected by Microban® antimicrobial technology
- Bite Me® bite valve and patent pending quick disconnect system
- Lightweight mesh shoulder harness
- Bungee retention system for clothing storage

Capacity: 100 oz. / 3L Wt: 14.1 oz.

65TR00BK BLACK \$56.99

BLACKHAWK!® VECTOR™

Designed to increase performance and comfort in cramped quarters such as aircraft, tanks, vans and other vehicles.

- Drink system protected by Microban® antimicrobial technology
- Bite Me® bite valve and patent pending quick disconnect system
- Molds to contours of your back
- Integrated suspension harness lowers your profile when worn under jackets, vests or packs
- IVS™ molded back panel superior for comfort, stability, and airflow
- 72 oz. reservoir contains a baffle to minimize sloshing during extreme maneuvers
- YKK® zippers with sure-grip, silent pulls

Capacity: 72 oz. / 2L

65VC00BK \$72.99

BLACKHAWK!® SIDE HYDRATION POUCH

These hydration pouches were designed for those missions where you don't need or want 100 oz. of water on your back. They hold 40 oz. each and can be mounted anywhere on a vest or pack with MOLLE webbing. Carry more than one and use our patent pending quick disconnect to switch tube from one to another.

- Mount on side, back, front or on a pack with our patented Speed Clips™
- Drink system protected by Microban® antimicrobial technology
- Bite Me® bite valve and patent pending quick-disconnect system

Capacity: 40 oz. / 1L

65SH00 __ COLORS: **BK, CT, AU** \$59.99

Originally designed by warfighters to mount on their sides during vehicle ops.

BLACKHAWK!® TURBINE™

The Turbine™ was developed to be the workhorse of hydration systems. The streamlined design allows for easy integration into any BLACKHAWK!® vest, pack, or bag.

- Includes 100oz. BLACKHAWK!® Hydration System
- Drink system protected by Microban®
- Patent pending quick disconnect system for bite valve
- Contoured, padded shoulder strap with adjustable, quick ditch buckles
- YKK® zippers with sure-grip, silent pulls
- Internal system has moisture-wicking mesh and thermo-insulating padding

Capacity: 100 oz. / 3L Wt: 10 oz.
